BAPTIST CHURCH

Welcome to the inaugural business directory of the Progressive Union Missionary Baptist Church! This unique initiative celebrates the diverse talents and entrepreneurial spirit of our church members. Within these pages, you will find a carefully curated list of businesses owned by our community, ranging from cosmetology to lawn care, to real estate, event rentals, mortgage services, and lending.

Our goal is to support and uplift one another by promoting the services offered by our fellow congregants, fostering a spirit of collaboration and connection. Whether you are looking for a trusted stylist, need assistance with your lawn, or are in the market for property, this directory is an available resource that highlights the skills and services available right within our church family.

Thank you for supporting our members and their businesses.

Disclaimer: The businesses listed in this directory are provided for informational purposes only. Their inclusion does not constitute an endorsement or recommendation by Progressive Union Missionary Baptist Church. Users are encouraged to conduct their own research and exercise discretion when engaging with these businesses.
